MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM:

[REDACTED]
Deputy Director for Administration

SUBJECT: Request to Address the Executive Decision
Analysis Seminar of the National Cryptologic
Executive Development Program

1. You are invited to meet with the first class of the Executive Decision Analysis Seminar of the National Cryptologic Executive Development Program, National Security Agency (NSA). This seminar will take place [REDACTED] from 21 - 24 September 1981 and will be conducted by the Information Science Center, Office of Training and Education, Central Intelligence Agency, at the request of NSA.

2. Your presence at one of the evening sessions during the above dates (preferably 23 September) would offer the invaluable perspective of the executive's role in Intelligence Community decisionmaking and would lend support to the program developed under your sponsorship.

3. The group will gather before dinner at 1700 hours and would appreciate your joining them for dinner and a following discussion for approximately two hours.

4. The issues to be discussed include the necessary shift in perspective from manager to executive characterized by "distance" from detail and goal setting for others; the concern of the executive that all appropriate alternatives have been considered and
